What is Crown For The Classroom?

It is a program designed to "give back" to local schools or organizations, whereby Crown Cleaners donates a portion of our sales to the school or organization of the customers' choice.

How does the program work?

- A form will need to be filled out and turned into Crown Cleaners for processing.
- Once you start using Crown Cleaners we can set up our software to allocate a certain percentage of the pre-tax sales to report how much will be donated to the school or organization of your choice.
- A donation will be made on behalf of Crown Cleaners at the end of each semester or every 120 days.
- Monthly billing is available as a convenience, provided a credit card number is on file.
- A customer can use either our retail locations or our pickup and delivery service.
- Crown Cleaners will donate 5% of pre-tax sales to the school/program designated.
